

Declaration on accessibility

26.09.2025

Die hcsb.digital GmbH ist Dienstleister für Informationstechnologie der Verlage Frankenpost Verlag GmbH, Nordbayerischer Kurier Zeitungsverlag GmbH, Druck- und Verlagsanstalt Neue Presse GmbH, Suhler Verlagsgesellschaft mbH & Co. KG und Meininger Mediengesellschaft mbH.

Mit dieser Erklärung informieren wir Sie, wie unsere digitalen Angebote die Anforderungen der Barrierefreiheit erfüllen.

Legal requirements

The legal requirements are derived from the Accessibility Enhancement Act (BFSG), in particular Section 14 in conjunction with Section 3 (1) BFSG, with reference to the Ordinance on the Accessibility Enhancement Act (BFSGV).

Compliance with accessibility requirements

Our online offering is designed to be accessible in accordance with the Web Content Accessibility Guidelines (WCAG) version 2.2 at level AA to ensure that our offering is accessible to all people. The measures include:

Access and security: Our identification, authentication, security and payment features are designed to be noticeable, usable, understandable and robust for all users. This includes user-friendly login methods, accessible two-factor authentication and secure payment processes.

Functional performance criteria: We offer various modes of operation to ensure that our products and services can also be used by users with physical, sensory or cognitive impairments. These include:

- **Visual alternatives:** All content is accessible without colour differentiation, and text alternatives are available for users with impaired vision.
- **Auditory alternatives:** Our features do not require hearing ability and offer enhanced audio capabilities for users with hearing impairments.
- **Manual interaction options:** Our digital content can be used without fine motor control and without significant hand muscle strength.
- **Protection from visual stimuli:** We avoid visual stimuli that could trigger photosensitive seizures.
- **Support for cognitive impairments:** We ensure that features are provided to support cognitive impairments in order to make usage as easy as possible.
- **Privacy when using accessibility features:** All accessibility features used guarantee the privacy of our users.

- Through regular reviews and adjustments, we ensure that our digital offerings comply with legal requirements and are continuously improved to guarantee high accessibility and security for all users.
